By Real Living

“It’s the perfect retirement lifestyle we had in mind.”

Hello, I’m Lyn Ellis.

I understand it can feel daunting when you start to look at retirement villages with many unknowns ahead.

You’re welcome to visit our village, walk around, chat to our residents and be sure it feels like a place where you can truly belong.

Feel free to call me at any stage for a chat.

Make yourself at home.

Beautifully situated within a spacious landscaped park, Remuera Gardens is an exclusive retirement community where you'll have time to focus on the things you enjoy most.

Make the most of the range of recreational options or, if you prefer, you can simply enjoy the gardens or a good book. Our residents are actively encouraged to maintain their independence. In fact, the support services available on request make it possible to live independently for longer.

At Remuera Gardens there is a strong family atmosphere. Our management team and friendly staff like to know everyone by name, and the small and personal community will make you feel welcome and safe.

Shopping centres, cinemas, bowls, bridge and golf clubs are only a few minutes' drive away. Our village shuttle makes regular local trips. While our shop, hair salon and fully catered dining room mean that daily necessities are also available right here in the village.

So much more than just beautiful gardens.

“While we have our independence, we are reassured by the knowledge that help is available on the spot, should any personal emergency arise.”

Resort-like gardens and facilities.

There are many sheltered spots around the grounds from which to enjoy the gardens and facilities, such as the barbecue area, croquet lawn and petanque court.

At the heart of Remuera Gardens is Beattie Lodge. This is the place where it all happens.

It houses the reception, dining area, gym, hair salon, library, lounges, community centre and so much more.

There's an indoor heated swimming pool and spa, as well as a 45-seat tiered cinema and a billiards room.

For those who require extra assistance.

Edinburgh serviced apartments feature direct internal access to Beattie Lodge.

All meals, cleaning and laundry are provided for, and social events are organised, providing a care-free lifestyle based on good nutrition.

For times when more intensive support is required, Kensington House Rest Home is within the Remuera Gardens estate.

This 32-room total care centre can provide 24-hour care on a temporary or ongoing basis.
